

Eurith "Chucki" Long-Emerson is a woman passionate about our Lord God. Her life verse is Exodus 19:4, "*You know how I carried you on eagle's wings and brought you to myself.*" (NLT).

She has worked in the field of healthcare for over 35 years and her most recent studies have been towards becoming a Certified Dementia Practitioner, which has earned her a position as the Dementia Care Coordinator at Cross Keys Village in New Oxford, PA. Her walk in healthcare has prepared for her walk with the Lord.

Chucki has been teaching and public speaking since 1995. In 2009, she started a very serious walk as a follower of Jesus Christ and has recently started a women's Bible study titled "Sisters Seeking Scriptures." In 2015, she was invited and honored to be on the R.A.W. team.

In 2012, the Lord God had Chucki sit down and write her story, which in turn is her gift from Him, a story that truly was a mess and now is a message. As hard as Chucki thought it would be God has redeemed her and has released her from Chrysalis. It is now time to go out and share her story.

Chucki loves to spend time with Jesus, praising and praying, writing, playing volleyball, gardening and spending time with family and the wonderful God girlfriends He has gifted her with. She resides in Hanover, PA with her husband Brad and their dog Jada.
